Troop Meeting Plan

Program Theme Knots & Lashings Date May 21, 2015

7:00 PM Opening Ceremony Important: Set Date for Court of Honor (Consult with adult volunteers) Important: Set Date for Court of Honor (Consult with adult volunteers) Important: Get commitments for Memorial Day Parade Patrols will continue review of standard knots. Goal is for each patrol member to tie these knots "on demand". Troop guides will assist new scouts in learning the knots. Observations from last week: Most experienced scouts are familiar with the knots but lack recent experience to demonstrate these knots with confidence. Need one patrol to demonstrate construction of a tripod using appropriate lashing. Supplies needed: three staves or poles and cordage to lash the tripods. Each patrol will elect one "champion". These champions will face off against each other in a timed event. When "start" is called each competitor will tie the knot announced and, when finished, drop the rope to the ground. The judge (an ASM) will examine each knot. Points are awarded for each place. Interpatrol Activity (game or skill event) If there are four competitors, first place = 4 points, second place = 3 points, etc.	tun by	Activity Description	Time Activity	Time
